The WCPS summer program allows children the opportunity to spend a few fun filled days during the summer preparing for their new fall placement by enrolling in their new WCPS classroom or joining with other WCPS friends preparing to transition to kindergarten in the fall.

Application

PLEASE NOTE: 2010 Family Summer Application Fee: \$25 per child, per session: \$100 maximum

Woodmont Christian Preschool has a lottery based admission process for applicants not currently enrolled in the program and a tenure based process for currently enrolled applicants. Applications are accepted until June, but priority is given to applications received before the Lottery Application Deadline.

Applications are given priority in the following order:

1. Woodmont Christian Church members currently enrolled in WCPS
2. Current children enrolled in WCPS
3. Woodmont Christian Church members new to WCPS
4. WCPS legacy/alumni
5. New applicant families

The lottery is processed by an Admissions Committee, which meets during the second week of February to complete enrollment for the following school year. The Admissions Committee reviews the applications and makes placement recommendations. Every effort is made to honor each applicant's requested days. The number of children with special needs, the physical space available and the boy/girl ratio for each class may influence the specific day or days each child is assigned.

Within the first two groups listed, priority in placement will be given based on the original enrollment date of the family's first child to attend WCPS. In the event the first child has graduated from the program, the alumnus' original attendance date will determine priority. For the remaining 3 groups, priority is determined based on a random drawing within each group.

Applications received after the Lottery Application Deadline will be processed as they are received.

Admission

The Applications and Admissions Committee will consider each application according to rank on the priority grid established by the Woodmont Christian Preschool Board.

Classes are formed on the basis of the age of each child on September 30th. A child entering a WCPS class must be the appropriate age for that class age span by September 30th of the current school year.

The goal is to place each child in a group with which he/she can expect to attend kindergarten.

Applications reviewed and offered admission will be mailed a contract specifying the days offered and tuition. Applicants requesting placement in a classroom that is full will be placed on the waiting list and will be notified if an opening becomes available.

Special Needs Information

Woodmont Christian Preschool admits children of any race, color, national and ethnic origin. If a child enters the program with an identified special health care need (i.e. asthma, diabetes, seizures, hearing or vision impairments, feeding needs, urinary or other on-going health problems), the parent is responsible for notifying and providing the school specific written instructions for the child's special health needs PRIOR to a child's enrollment date. (WCPS Handbook p. 12) Children with emotional, physical or cognitive special needs will be accepted if it is determined that they will benefit from the program and the staff is able to meet their needs in addition to the needs of the other children. (WCPS Handbook p. 6)
