

February 1, 2008

Dear parents,

Thank you for your wonderful support and participation this school year. Now, we need to look ahead to the coming year and consider additional ways to get involved and to help during the 2008-2009 school year.

As you can see on the attached "Volunteer Opportunities" form, there are several areas and many levels of involvement. Ask a friend or two to volunteer with you in the areas that meet your interests. Please feel free to volunteer for more than one job or position. Your talents, and a little of your time, will mean a lot for our school and our children. Experience has shown there is fun to be had in the process...it's a great way to meet other parents, teachers and staff!

Attached, you will find a sign-up form, along with a description of volunteer opportunities. As many jobs are requested by several parents, please prioritize your interests in the form of 1st, 2nd, 3rd...6th, etc. You will be contacted regarding your choices after all of the forms have been processed. **Please return your forms by Friday, February 22, 2008.** There will be a collection box on the table in the front hallway.

Please feel free to call me at 383-4082 with any questions. Again, thank you for all you have done this year for Woodmont Christian Pre-school and our children. We're looking forward to another busy and eventful year!
